- JOHN WARE, M.D., formerly Hersey Professor of Theory and Practice in the Massachusetts Medical College.
- THOMAS WELSH, M.D., of Boston.
- C. B. WHITE, M.D., Assistant Surgeon U. S. A.
- J. C. WHITE, M.D., of Boston.
- GEORGE B. WILLSON, M.D., Assistant Surgeon U. S. A.

From Dr. G. D. Hersey.

INDEX TO THE SIXTY-FIFTH VOLUME.

- ABSCCESS, chronic, discharging per vaginam, 475
Aconite, poisoning by, 155; *nux vomica* as an antidote, 155
Ægophony in pleurisy, 376, 509
Addison's disease, observations on, 375
Alcohol question, 184
Allen, Dr. Myron O., death of, 28
Alms-house, State, at Bridgewater, 8th report of the inspectors of, 525
Ambulances, 391, 542
Ames, Dr. Ebenezer, death of, 108
Amygdalotome, by Chassagny, 510
Anæsthetic, new, kerosolene, 62, 63
Anderson (Dr. T. M.) on parasitic diseases of the skin, 334
Aneurism, practical essay on, by Dr. W. E. Coale, 189, 212, 265, 364, 385, 406, 465, 516; of the aorta, double, 321; of the left ventricle of the heart, 361
Aorta, double aneurism of the, compressing and destroying the left primary bronchus, 321; rupture of the, 371
Apparatus, fracture, by Dr. A. Chapin, 167; simple, for fractures of the thigh, by Dr. B. E. Cotting, 129; letter on, by Dr. E. Daniels, 186, 277
Apoplexy, secondary, fatal, 221
Army, deficiency of hospital supplies for, 25; varioloid in the, 25; medical appointments in the, 47, 48, 107, 108, 143, 144, 148, 168, 208, 279, 299, 320, 380; Prussian, re-vaccination in the, 147; surgeons, hints to, 109; rations, 85, 142; irregular practitioners in the, 259; report on the sanitary condition of the, 547; re-organization of the medical department of the, 548; correspondence and intelligence, 38, 81, 141, 163, 182, 204, 255, 256, 274, 294, 312, 335, 354, 372, 389, 414, 431, 455, 475, 502, 521, 529, 539; assignment of brigade surgeons, 125
Arsenic smoking in asthma, 181
Arsenate of soda in scrofula, 377
Ascites complicating pregnancy, 87
Asiles Imperiales de Vincennes and Vesinet, for convalescents, 28
Asthénopie, its cause and treatment, 461
Asthma, arsenic smoking in, 181; tincture of iodine in, 509
Auriculo-ventricular valves, time and manner of closure of, 141
Axilla, mammary glands in, 203
Axis, injury of, with ankylosis, 333
Bacon, Prof. John. Siliceous calculi from the kidney of an ox, 132
Barker's (Dr. B. F.) treatise on Anæsthetics in Midwifery, 454
Barwell's (Richard) treatise on Diseases of the Joints, 451
Baths, *modus operandi* of various kinds of, 104
Battle-field, a day on the, by Prof. F. H. Hamilton, 38
Bavaria, illegitimacy in, 258
Beck's (Dr. John E.) *Materia Medica*, 453
Bedford's (Dr. G. S.) work on Obstetrics, review of, 281
Benevolent Society, Mass. Medical, 279, 339
Berkshire Medical College, commencement at, 359
Berkshire Medical Journal, 379
Bile, secretion and uses of the, 343, 438
Blankets, bad quality of army, 319
Blighted twin foetus, 220
Bone, reproduction of, 356
Bones, sternal, upper two, separation, 121
Boston, health of, 260; Crier of, report, 377
Boston Dispensary, 228
Boston Society for Medical Improvement, 60, 118, 129, 132, 160, 218, 271, 309, 321, 331, 341, 361, 369, 381, 401, 410, 471; report of committee of on the danger of inhaling sulphuric ether, 229
Boston, vital statistics of, 28 and weekly
Botanical science, association for promoting, 124
Botanical Society of Canada, 413

 Coale, Dr. W. E. Practical essay on aneurism, 189, 212, 265, 364, 385, 406, 465, 516
 Cod-liver oil, substitutes for, 254, 530
 College, Yale, munificent donation to, 27; Amherst, professor of hygiene at, 63; Pennsylvania, medical department of, 108; Jefferson Medical, 188
 Collins's (Dr. C. T.) institution for the treatment of chronic diseases of females, 438
 Colon, two distinct portions of united by cancer, 271; stricture of, 348
 Commission, sanitary, 168, 188; reports of, 206, 224
 Consultations with homœopaths, 127, 167, 296, 359, 419
 Consumptives, effect upon of sea-voyages and warm latitudes, 549
 Convulsions, infantile, case of, 527; puerperal, inhalation of ether in, 119, 272
 Corrosive sublimate, death from, 169, 218
 Cotting, Dr. B. E. Simple apparatus for fractures of the thigh, 129, 187; abscess in the cerebellum and meningeal disease of the spinal cord, 381; connection between cephalic symptoms and organic lesions in children, 401
 Cream a substitute for cod-liver oil, 530
 Crimea, McCleod's notes on the war in the, 452
 Curtis, Dr. Hall. Cysticerci of the tænia in man—translation, 109
 Cusack, Dr., death of, 360
 Cuticle, desquamation of in a living, newborn child, 120
 Cyclopic malformation, 263
 Cynanche parotidea, with metastasis, case of, 511
 Cysticerci of the tænia in man, 111
 Dale, Dr. W. J., appointment of to the army, 480
 Daniels, Dr. E. Apparatus for fracture of the thigh, 186, 277
 Deaf and dumb, in France, 87; Hartford Asylum for, 398
 Death, causes of in London, 126; from chloroform, 136, 228; from corrosive sublimate, 169
 Dental Convention, American, 126
 Derby, Dr. George, his appointment to an acting brigade surgeoncy, 400
 Derby, Dr. Hasket. On asthenopia, 461
 Diabetes mellitus, polyuria following, the treatment of, 146
 Diphtheria, cases of, 160; note on by Dr. Currier, 319; in Wellfleet, in 1857, 428
 Diseases at Fortress Monroe, 257; among the southern soldiers, 259
 Dispensary, Boston, 228
 Donation, munificent, to Yale College, 27
 Drowning, resuscitation from, by use of Faradism and electro-puncture, 89
 Dysentery, camp, 69; value of sulphate of magnesia, oil of turpentine and calomel in, 96; of sulphate of magnesia in, 125; of calomel in, 368
 Electro-puncture and Faradism successfully used in a case of drowning, 89

- Ellis, Dr. Calvin. Case of leucocythemia, 341
- Empyema, thoracentesis, death from hæmorrhage, 121
- Encephaloid tumor, 203
- Encyclopedia, new American, 339
- Endurance, great, after gun-shot wounds, 66
- Epileptic and other convulsions, pathology and treatment of, 453
- Epsom salt in drinking water, 348
- Ether, inhalation of in puerperal convulsions, 119, 272; report of a committee of the Boston Society for Medical Improvement on, 229, 258; influence of position on etherized animals, 508
- Etherization, review of manual of, 292, 319, 358
- Examining board, medical, of Illinois, 48; of Vermont, 260; of Pennsylvania, 279
- Eyes, iris absent from both, 128
- Faradism, successful use of in a case of drowning, 89
- Fee bills, 336
- Female obstetrician, death of a celebrated, 258
- Fever, typhoid, case of, 370
- Fifield, Dr. W. C. B. On polypus of the trachea, 309
- Fish, Chinese, introduction of into France, 439
- Fistula, vesico-vaginal, 270
- Flesh, extract of, for army use, 499
- Folsom, Dr. N. L. Conservative surgery, 339
- Fœtus, blighted twin, 220
- Foot, mechanical distortion of the human, its prevention and remedy, 512
- Fort Warren, report of cases at, 521
- Fortress Monroe, medical statistics of, 163, 257, 274; hospital at, 83; medical officers at, 108
- Fracture of lower jaw, 433
- Fracture apparatus of Dr. A. Chapin, 167
- Fractured skull, operation on, 127
- Fractured thigh, simple apparatus for, 129; letter on, by Dr. E. Daniels, 186, 277; notice of Dr. Buck's, 546
- France, deaf and dumb in, 87; longevity in, 280
- Funis, prolapse of, 198
- Garratt, Dr. A. C. Successful use of Faradism and electro-puncture in a case of drowning, 89
- Generation, spontaneous, Pasteur's researches in regard to, 16
- Genito-urinary organs, action of opium on, 157, 209
- Gould, Dr. J. F. Case of infantile convulsions, 527
- Gout, treatment of, 439
- Grissold, Dr. C. D. Camp dysentery, 69
- Guadalajara, in Mexico, medical institution in, 340
- Gun-shot wounds, 26, 255, 279, 294, 373, 414, 434, 455; great endurance after, 66; of rectum, 255; during loading of artillery, 460
- Hall, Dr. A. B. Case of cyclopic malformation, 263
- Hæmaturia, 26
- Hæmorrhage, fatal, after thoracentesis, 121; nasal, mode of arresting, 259
- Hanson, Dr. D. D. Case of poisoning by aconite, 155
- Harlow, Dr. E. A. W. Case of cynanche parotidea, 511
- Harris, Dr. J. O. Poisoning by stramonium, 311
- Hartford Hospital, 299
- Harvard Medical School, lectures at, 279
- Hathaway, Dr. John E., death of, 529
- Health, of Providence, R. I., 66; of Boston, 260; of troops in Western Virginia, 48; in the West, 127
- Heart, fatty degeneration of, 118; aneurism of left auricle of, 361; action of remedies on, 358
- Heart and kidneys, disease of, 273
- Hermaphroditism, case of, 349
- Hernia, ventral, 161, 166
- Herrick, Dr. G. W. H. Case of puerperal fever, 441
- Hilton Head, S. C., new military hospital at, 548
- Hints to army surgeons, 109
- Holmes's (Dr. O. W.) Introductory Lecture, 318
- Homeopathy, renounced, 66, 108; decline of, 165
- Homeopaths, consultations with, 127, 167, 296, 359, 419
- Hospital accommodations for the Burnside expedition, 548
- Hospital arrangements at Camp Massasoit, 38
- Hospital construction, 49, 74
- Hospital supplies for the army, deficiency of, 25
- Hospitals—Long Island College, 27; at Fortress Monroe, 83; military, in Cincinnati, 48; in Washington, 86; St. Bartholomew's, income of, 128; at Hartford, 299; Free City, 507; in Missouri, 547; new military at Hilton Head, S. C., 548; State Lunatic at Northampton, 549; London, 127
- Hydrargyrum cum creta, hints with regard to, 399
- Hygiene, professor of at Amherst College, 68
- Idiot, the African, on exhibition in Boston, 491
- Illegitimacy in Bavaria, 259
- Illinois State Medical Society, tenth annual report of, 105
- Illinois, medical examining board of, 48

- India-rubber stoppers for bottles, 398, 420
 Infantile convulsions, case of, 527
 Inhalation of ether, in puerperal convulsions, 119, 272; report of a committee of the Boston Society for Medical Improvement on, 229, 258
 Insane, Vermont Asylum for, 458
 Insanity, hints on, 140
 Insurance companies and their claims upon physicians, 417
 Intestine, internal strangulation of the, 331; large, malignant disease of, 123
 Iris, absent from both eyes, 128
 Iron and quinine, new salt of, 27
 Italy, medical practice in, 133
- Jackson, Dr. C. T. Hints to army surgeons, 109; influence of the position of animals under the effects of ether, 508. His manual of etherization, 292, 319, 358
 Jackson's (Dr. James) second letter to a young physician, 64
 Jefferson Medical College, 188
 Joints, Barwell's Treatise on, 451
 Jurisprudence, medical, new work on, 299
- Kerosene, remarks upon, 437
 Kerosolene, 108; experiments with, 48, 62, 63, 158, 202
 Kidney of an ox, siliceous calculi from, 132
 Kidneys and heart, disease of, 273
 Kimball, Dr. Gilman, letter from, 83
 Knapsack, improved method of supporting the, 147
- Lane, Dr. J. H., notice of, 186
 Lead in the treatment of phthisis, 199
 Lecture, Dr. Holmes's Introductory, 318
 Lectures on general therapeutics, by Dr. John Ware, 9, 29, 149, 175, 301, 324, 491, 533; at Harvard Medical School, 279
- Letter, from Dr. Gilman Kimball, 83; from an assistant surgeon in a Massachusetts regiment, 182; from surgeons of the same, 183; from the surgeons of the 17th and 27th Massachusetts regiments, 204; from a Washington correspondent, 255, 294, 335, 354, 414, 421, 475, 502; from the surgeons of the 12th, 17th, 19th and 22d regiments, 256; from the surgeon of the 14th regiment, 276; of the 12th, 317; from J. S., 335; from Dr. Willson, 372, 415, 542; from surgeon Pineo, 373, 455; from surgeon Morrison of Maine 2d, 392; from surgeon Hayward of the 20th Mass., 393, 424; from surgeon Derby of the 23d, 416; from surgeon Otis of the 27th, 436; from surgeon Warren of the 22d, 436; from surgeon Rice of the 25th, 437; extract from one from Dr. Peters, 439; from surgeon Green of the 24th, 506; from assistant surgeon Peters, 521; from C. B. White, Fortress Monroe, 163; from surgeons of the Mass. 9th, 11th and 12th, 164; from do. of the 9th, 14th and 17th, 141
 Leucocythemia, cases of, with crystals in the blood, 341
 Leucorrhœa during pregnancy, 374
 Lightning, injuries by, 67
 London, causes of death in, 126; medical students in, 439
 Long Island College Hospital, 27
 Longevity in France, 280
 Lothrop, Dr. Chas. H., letter from, 24
 Lyman, Dr. Geo. H., letter from, 312
- Magnesia, sulphate of, therapeutic value of in dysentery, 96, 125
 Maine Medical School, 188
 Malformation, cyclopic, 263
 Malignant disease, of large intestines, 123
 Mal-practice, suit for, 299
 Mammillaris glands in axilla, 203
 Martin, Dr. Henry A., note from, 546
 Martin, Dr. O., medical report of, 39
 Maryland College of Pharmacy, 299
 Massachusetts Medical College, catalogue of, 480; Medical Benevolent Society, 279, 339
 Massachusetts Volunteers, surgical appointments for, 108; visit to the camp of the 23d regiment, 297
 Materia Medica, Beck's, 453
 Measles among the troops, 87
 Medical Journals, discontinuance of, 398
 McClellan, Major-General, 28
